

CAPITAL ENERGY EQUIPMENT, INC.

Manufacturers Representative · HVAC, Controls & Mechanical Systems · (703) 437-8161 · Info@capitalenergyequipment.com

Precision Cooling & Data Center Solutions

Compu-Aire — Upflow/downflow CRAH, in-row, ceiling-mounted & console units
Ice Western — Air-cooled & water-cooled packaged heat pumps with energy recovery
Coil Master — Dry Fluid Coolers
Andely — Legacy & Adiabatic Dry Fluid Coolers

Chillers

GE Appliances — Modular chiller heat pump
AIRSYS — Centrifugal Magnetic Bearing Chillers 500kW & 1MW

Noise Control

Kinetics — Sound attenuators, acoustical louvers & noise-blocking panels

Water-Source Heat Pumps

ColdFlow — Vertical, horizontal & self-contained units (2–70 ton)
HydroMX — Non-toxic glycol alternative; improves efficiency, inhibits freezing & scaling

Packaged Self Contained Heat Pumps, PTAC's & VTAC's

AIRSYS — Self-contained vertical inverter package heat pumps
Applied Comfort — Direct replacement chassis for discontinued models
GE Appliances — PTAC's & VTAC's

Heaters, Boilers & Flue Stacks

Space-Ray — Gas-fired infrared radiant heating
Raywall — Electric Unit heaters, baseboard, cabinet
Radiant Electric Heat — Ceramic electric heaters
Gasmaster — High-efficiency condensing boilers up to 12 MBTU
Industrial Chimney Company (ICC) — Flue pipe for boilers and generators

Indoor Air Quality (IAQ) & Filtration

Critical Environment Technologies (CETI) — Gas detection systems
NJK — Airflow monitoring systems
Movex — Fume extraction arms

Kitchen Exhaust Filtration

Trion — Grease Viper electrostatic precipitators
Gaylord — Eliminator in-hood filtration systems

Duct & Accessories

Air-YNX — Pressure-independent airflow regulators
Zipset Systems — Remote damper operators
Griipple — Hanging & suspension systems for ductwork, equipment & electrical
Sunvent — Brick vents

Variable Refrigerant Flow (VRF) Systems

GE Appliances — Heat pump (HP) & heat recovery (HR) systems
· High Wall · One-Way & Standard Cassette · Slim Duct/Floor
· Mid & High Static Ducted/DOAS · Multi-Position AHU · Heat Recovery Box

Rooftop Units, Packaged & Split System

GE Appliances — Universal Fit Packages, Compact Package Units, Large & Small Split Systems

Controls & Building Automation

DISIO — Building Management Solutions
75F — Wireless Building Automation Solutions

Fans & Ventilators

Envira-North — HVLS ceiling fans
Howden American Fan — Commercial, industrial, parking garage & tunnel jet fans
Soler & Palau — Centrifugal, propeller, ERV, bathroom, utility & gravity vents
Captiveair — Commercial kitchen ventilation, commercial & industrial fans
Canarm HVAC — In-line, mixed-flow, gravity, rooftop fans & ventilators

Air Distribution & Terminal Units

Anemostat — Registers, grilles, diffusers, VAV & fan-powered boxes
Kees — Custom architectural grilles and registers
Acutherm — Therma-Fuser VAV diffusers

Humidity Control

Hermidifier — Electronic, central, steam-to-steam & atomizing humidifiers
Hydrostream — Evaporative humidifiers
Santa Fe — Basement, crawlspace & restoration dehumidifiers
EBAC — Portable & commercial dehumidifiers

Louvers & Dampers

Air Balance · Arrow United · Lloyd Industries · United Enertech
Architectural, Wind-Driven Rain, Blast Proof Louvers, Fire/Smoke Dampers, Ceiling Radiation Dampers

Heat Trace & Variable Frequency Drives

TRM — Freeze protection, heat trace & snow-melting systems
LS Technologies — Variable frequency drives (VFDs) for pumps and fans

Valves & Vibration Isolation

Flowcon — Pressure-independent, auto-flow, balancing & control valves, flex hoses
Vimco — Vibration isolators

Booster Pump Systems

Advanced Mechanical Technologies (AMT)

Smart HVAC Solutions
